

Electronic Spanish Questionnaire Directions

To the student: Please take this document to the Spanish teacher you will have for your junior year at your sending school. This questionnaire plays an important role in helping you to continue in your Spanish language study. Without this information, we will have a difficult time designing a Spanish class for you. If you do not yet know who your Spanish teacher will be, ask your current teacher or language department head to complete the questionnaire.

To the Spanish teacher: As you may know, your student has decided to spend one semester of his/her junior year at the High Mountain Institute. We will enroll him/her in the appropriate Spanish class based on the information you share with us and on the student's completion of a placement test.

Our primary goal is to help our students continue their study of Spanish and re-integrate successfully into sending school classes after their semesters here. With up to 48 students from different sending schools around the country, it is helpful for us to know what each student needs during his/her semester with us. Please include a course syllabus and any additional information you think might be helpful.

Thank you very much for taking the time to help us meet the needs of your student(s). If you have questions or concerns, please contact Aimee Goldstein, Administrative Assistant for the HMI Semester, at agoldstein@hminet.org or 719-486-8200 x106.

You will need the following information to complete the online questionnaire:

- Student name _____
- Title of Spanish class for junior year (2017-2018)
- 2017-2018 Spanish teacher's name
- Spanish teacher's email address and school phone number

To complete the online questionnaire, please go to
<http://www.hminet.org/accepted>
and click on the link for the Spanish Questionnaire.

The questionnaire should take about 20 minutes to complete. It will primarily ask questions about what material the student's Spanish course will be covering while he or she is away.

This information helps us prepare the student for subsequent Spanish courses.

Thank you!

The electronic form is due by May 15 for Fall Semester students and October 1 for Spring Semester students.

Please do not send us this sheet!
