

The student named below intends to enroll in the **High Peaks Adventure Program 2018** (hereafter sometimes, the “Summer Program” or “School”) at the High Mountain Institute. In consideration of the services of the High Mountain Institute, Inc. and the High Peaks Adventure (collectively referred to as “HMI” or “High Mountain Institute”) **the student and his or her parent/s or legal guardian/s (collectively referred to here as “parent/s”) acknowledge and agree as follows:**

Enrollment and Additional Forms

A student is considered preliminarily enrolled in the Summer Program once we receive this signed Enrollment Agreement and the deposit (see below). We also require the submission of additional forms and paperwork. Therefore, **final acceptance, enrollment and participation in the Summer Program is contingent upon your full and timely payment and HMI's receipt and review of all signed and completed student paperwork and forms, including but not limited to this Agreement, the enclosed Medical Forms and the HMI Acknowledgment and Assumption of Risks & Release and Indemnity Agreement.** This paperwork is available for review at <https://www.hminet.org/programs/high-peaks-adventure-2/for-enrolled-students/>

Tuition, Deposit and Expenses

Tuition, room and board for the High Peaks Adventure 2018 is \$3,685 and should be paid directly to the High Mountain Institute.

1. **A non-refundable tuition deposit in the amount of \$500 is required with the return of this Enrollment Agreement.** To tentatively guarantee your space in the Summer Program, please return the Enrollment Agreement and deposit no later than two weeks after receipt of this enrollment packet. The deposit will be applied to tuition.
2. **Final payment for the remainder of tuition is due by April 15, 2018.** If you are accepted after April 15, 2018, your full tuition payment is due along with your Enrollment Agreement. Checks should be made payable to the *High Mountain Institute* and sent to: HMI Summer Programs, 531 CR 5A, Leadville, CO 80461. A student will not be allowed to begin the Summer Program if any payments are overdue.
3. Students will also be expected to establish an incidental expense account, called a student account, with HMI in the amount of **\$200**, which will be used for bookstore purchases, general supplies, optional activity expenses, and personal equipment rental. **This incidental expense account is due by April 15, 2018.** If there is leftover money at the end of the Summer Program, a refund will be sent directly to the individual who made the deposit.

Refund, Withdrawal and Return

In the event that HMI cannot accommodate a student because of medical concerns, we will issue a refund of your deposit. Otherwise, **if for any reason (whether voluntary or involuntary) a student withdraws, does not attend, arrives late or leaves the Summer Program in progress, there will be no tuition refunded.** HMI reserves the right, in its sole discretion, to separate (including any suspension or expulsion) students from the Summer Program, for any of the reasons identified in this Agreement or otherwise. This includes, but is not limited to, separation for medical issues, physical injuries, emotional issues, discipline or behavioral issues, negative or non-participation, failure to follow HMI School rules, failure to uphold HMI community standards, non-payment of tuition or other fees, and/or other conduct or circumstances that HMI believes, in its sole discretion, is detrimental to the Summer Program. The student and his or her parent/s are responsible for all costs of late or non-arrival or early departure (whether voluntary or involuntary). These costs include, but may not be limited to, medical costs and plane or transportation fares.

School Program Alterations and Force Majeure

HMI endeavors to follow School itineraries as may be described in HMI marketing materials or other School information. However, HMI reserves the right, in its sole discretion, to alter itineraries or planned activities, as needed, to address changing conditions, for the health and well-being of students/staff or for other reasons. HMI will not be legally liable or responsible for any delay or failure of its performance regarding the School and/or under this Agreement including any changes in the School itinerary, cancellation or other alteration, resulting from an Act of God or other condition beyond its control (force majeure), including but not limited to fire or other natural disaster; war, violence or terrorism or other major event. Typically, these are events that may compromise the health or well-being of students/staff or otherwise prevent performance. In such a case, HMI will suspend or alter its performance if and until, in its sole discretion, it is able to appropriately resume performance.

Insurance

1. **Medical insurance:** All students are required to have medical insurance in place for the duration of the Summer Program. If the student does not have medical insurance, please contact us immediately so that we can assist you in discussing options for coverage.
2. **Trip Insurance:** HMI recommends that parent/s purchase trip cancellation or travel insurance to assist in covering costs incurred in the event of cancellation, late arrival or, early departure.

Parent/s are encouraged to review their medical insurance, any purchased trip insurance and other personal insurance to understand their coverages.

Student Conduct

HMI has high expectations for student conduct and behavior. Upon arrival at the School, students will participate in an orientation and will discuss the nature of the School community, rules and standards of conduct and student responsibilities within the School community. HMI discusses community rules, norms and expectations with students intermittently throughout the Summer Program in community meetings, on expeditions and otherwise, and includes information on these subjects in written materials and in ongoing communications with parent/s.

In signing this Enrollment Agreement, the student agrees to abide by the standards of conduct that support the goals of HMI's Summer Programs. The success of the community depends upon the full and positive participation of all members. Parent/s and students must understand that these eight school rules are expellable offenses. They are:

- Plagiarizing, cheating, or lying
- Stealing
- Willful destruction of property
- Use or possession of alcohol or drugs
- Harassment, bullying, hateful or negative speech of any kind
- Being in "Never-Known" locations
- Sexual activity, specifically intercourse
- Use or possession of tobacco products

Photo & Promotional Release

The student and parent/s authorize HMI, and/or parties it designates, to photograph, film, record and/or otherwise capture the name, image, voice, verbal or written statement/s (including quotations from conversations and correspondence), photograph and/or visual likeness (collectively "images") of the student, parent/s or other family member/s and use those images in any media throughout the world, in perpetuity, including for broadcast, sale, reproduction or display on the internet (including the HMI website or other internet sites), or in motion pictures, audio or video recordings, HMI catalogues, marketing presentations and/or other form for any informational, promotional or educational purpose without compensation to student or parent/s. These images are the sole property of HMI and the student and parent/s waive any inspection or approval rights.

Lost, Stolen, or Damaged Property

HMI is not responsible for a student's lost, stolen or damaged personal equipment or property. In addition, students and their parents will be held responsible for the student's role in damage to or loss of HMI property or equipment. This may include sharing in the group's collective responsibility for willful equipment/property destruction or loss.

For all Students and Parent/s

I have read, understand, and agree to the terms outlined in this Agreement. I agree to obey all HMI rules, regulations, and policies, review and accurately complete all forms and information and timely submit all payments. Parent/s give the student permission to participate in all School activities, whether occurring on or off HMI property. Colorado law (without regard to its conflict of laws rules) governs all aspects of the student's or parent/s' relationship with HMI, contractual or otherwise, and any mediation, suit, or other dispute with HMI must be filed or entered into only in Lake County, Colorado. I agree to attempt to settle any dispute (not settled by discussion) before a mutually acceptable Colorado mediator. ***The student must sign below. One of the student's parent/s, or both parent/s, if available, must also sign below.***
