

## Electronic Spanish Questionnaire Directions

**To the student:** Please take this document to the Spanish teacher you will have for the 2021-2022 school year at your sending school. Your teacher will then go to the link below to fill out our online questionnaire. If you do not know your specific teacher at this time, please give it to a department head or teacher who will be able to answer questions about the Spanish curriculum the class at your sending school will be covering during your absence. Be sure to explain when you will be away at the High Mountain Institute.

**To the Spanish teacher or Department Chair:** As you may know, the student named below has decided to spend one semester of their junior year as a participant at the High Mountain Institute Semester program. Based on information you share with us in our online questionnaire, we will enroll the student in the appropriate class. Our primary goal is to help our students continue their Spanish study and re-integrate successfully into sending school Spanish classes after their semester here. With up to 48 students from different schools around the country, it is very helpful to know what each student needs during their semester with us. Thank you very much for taking the time to help us meet the needs of your student(s).

You will need the following information to complete the online questionnaire:

- Student name
- Title of Spanish class from sophomore year (2020-2021)
- Title of Spanish class from junior year (2021-2022)
- Title of expected Spanish class for senior year (2022-2023)
- 2021-2022 Spanish teacher's name & email address

**To complete the online questionnaire, please go to <http://www.hminet.org/accepted> and click on the link for the "Spanish Questionnaire".**

**The questionnaire should take about 30 minutes to complete. It will primarily ask questions about what material the student's Spanish course will be covering while he or she is away.**

**This information helps us prepare the student for subsequent Spanish courses.**

**Thank you!**

**The electronic form is due by May 15 for Fall Semester students and October 15 for Spring Semester students.**

**Please do not send us this sheet!**
